## ENVIRONMODE

A frost-proof glazed 3" x 3" Stoneware body series. Eleven glazed colors available; three bold chromatic colors (KA-332 Cobalt Blue illustrated below), and eight colors in pottery type glazes. These glazes vary slightly in color from tile to tile creating a rich overall mosaic effect.

DAL-KA-332 COBALT BLUE

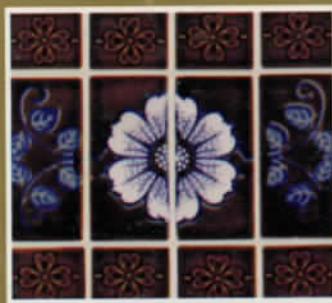

## AQUARIUS

A radiant spa series projecting delicate floral patterns on durable kiln fired glazes. Strong, vibrant, multi-colored combinations with the frost-proof durability of modern porcelain body tiles. These slim-line 1½-inch units permit smooth flowing installation on tight radius; whether concave or convex.

## ARCHER

A smart new two-tone contemporary frost-proof porcelain mosaic available in two sparkling 'dual-tone' blue color combinations. Unique self-trimming is provided by the 'Dal-Linear' border-liners.

DAL-68 BERMUDA BLUE

DAL-56 ARCTIC BLUE

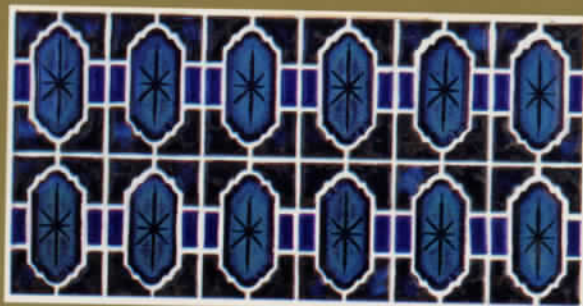

## NAUTILUS

Distinctive beauty in a bold bright pattern. A unique two color frost-proof porcelain tile that departs from the conventional. These slimline 1½" units permit smooth flowing installation on tight radius; whether concave or convex.

## BENJI

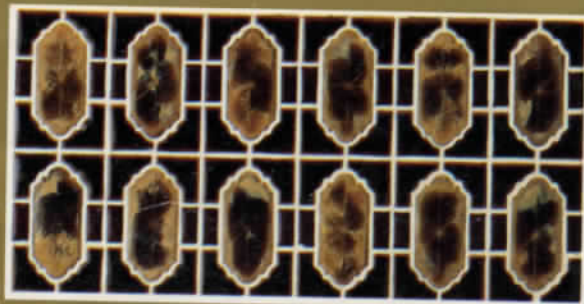

Versatile three color pattern series fired on a porcelain frost-proof tile in new color hues. The flexibility of this 2" x 3" unit allows horizontal or vertical designs in 2", 3", 4" and 6" increments. The unusual split pattern design permits smooth flowing installation on extremely tight radius, whether concave or convex.
