Artistry in Mosaics, Inc.

Shade and size variations are inherent characteristics in all handcrafted ceramic tile products. These variations are a trademark of handcrafted quality and add to the unique beauty of each individual mosaic. Our mosaic tile has passed ASTM C1026 Standard Test Method for resistance to freeze/thaw cycling, and is impervious to normal pool chemicals. We guarantee our mosaics for life. Product combination packages also available. Please ask your salesperson for more information.

Natural Stone Pavers

A chiseled edge gives these natural stone pavers a beautiful rustic appearance. They can be installed over concrete decking or used in a sand set method. Sand setting reduces installation cost and minimizes the effects of deck movement. Natural Stone Pavers size: 6" x 12" x 1 1/2". Expect variations in shading. We strongly recommend inspection before installation. Use constitutes acceptance.

Natural Slate Coping & Deck Tile

Natural Slate has a texture and range of color unlike any other natural stone. Slate combines beautifully with other natural materials and is an excellent choice for exterior applications. It is available in four colors and four different sizes: 12"x 12" and 4"x 12" for coping, and 12"x 12" and 16"x 16" sizes for decking applications. As with any natural stone, expect slight imperfections in size and shape. Wide ranges in color enhance slate's natural beauty as no two pieces are alike. We strongly recommend inspection before installation. Use constitutes acceptance. Some flaking of slate should be expected after installation. Condition will lessen over time.

Cantera Stone

Cantera is a natural stone cut from the mountains of central Mexico and is available in four beautiful colors. The stone is hand-cut to produce three different shapes. A bullnose shape is cut in a 12"x12"x2" size for geometric pools and a 4"x12"x2" brick size for use on any pool, regardless of shape. In addition, it is also available in 12"x12"x 3/4" for use in decking applications.
