Pool & Spa Tile

LittleTileInc.com

Welcome to Master Tile

The MasterTile Pool Division supplies the finest in swimming pool tile, coping, plastering and decking products. Since our origin in 1998, MasterTile Pool has been a leader in the introduction of new and innovative products for the swimming pool industry. We import waterline tile from premium manufacturers throughout the world. Our coping lines include kiln-fired clay brick as well as imported natural stones.

DESIGN YOUR POOL @ WWW.MASTERTILEPOOL.COM

Our new website will enable you to select and interchange our tile, coping and decking products on a number of different pools. This unique and user-friendly online tool is easy to use. From our home page, select the "Virtual Designer" tab at the top of the page; when prompted, click "Yes" to download the "ActiveX Control"; select the pool of your choice and get ready to begin designing your new pool!

SHELLSTONE

As with any natural stone, expect slight imperfections in size, shape and color. Inspection is recommended before installation. Use constitutes acceptance.

Marble Stone

This stable material comes from the mountains of Turkey and has a long life. This beautiful stone crosses nature's creation with modern technology to offer an Old World look to your surroundings. The finish is ideal for both indoor and outdoor use and is available in four colors. As with any natural stone, imperfections in size and shape can occur. Ranges in color enhance its natural beauty, as no two pieces are alike. We strongly recommend inspection before installation. Use constitutes acceptance.

Natural Stone Pavers

A chiseled edge gives these natural stone pavers a beautiful rustic appearance. They can be installed over concrete decking or used in a sand set method. Sand setting reduces installation cost and minimizes the effects of deck movement. Natural Stone Pavers size: 6" x 12" x 1 1/2". Expect variations in shading. We strongly recommend inspection before installation. Use constitutes acceptance.

All slate products must be sealed (see page 44). Sealing will prevent water penetration that can affect the durability of the stone. Water penetration can also damage the material in freezing conditions.

www.MASTERTILEPOOL.COM

As with any natural stone, expect slight imperfections in size, shape and color. Inspection is recommended before installation. Use constitutes acceptance.

Natural Slate has a texture and range of color unlike any other natural stone. Slate combines beautifully with other natural materials and is an excellent choice for exterior applications. It is available in a variety of colors and sizes for decking applications. As with any natural stone, expect slight imperfections in size and shape. Wide ranges in color enhance slate's natural beauty, as no two pieces are alike. We strongly recommend inspection before installation. Use constitutes acceptance. **Some flaking of slate should be expected after installation. Condition will lessen over time.**

Golden Plains

Chestnut Brown

As with any natural stone, expect slight imperfections in size, shape and color. Inspection is recommended before installation. Use constitutes acceptance.

Pool Coping Brick

Florida Brick & Clay

This series is the Cadillac of all coping brick. Smooth, rounded edges give that distinct look of perfection.

Available in 8" and 12" Coping and a 1/2" Paver

* Freeze-Thaw Warning: Cadet Gray, Coral, Bone and Birch are not recommended in climates where severe freeze-thaw cycles are experienced

Florida Brick & Clay Retro

This 5/8" thick coping brick is an excellent option for pool remodeling or for installation on new fiberglass pools.

* Freeze-Thaw Warning: Birch and Bone are not recommended in climates where severe freeze-thaw cycles are experienced

Marion Ceramics

This line now features a new, rolled cushion edge that provides a clean, precision look with no sharp edges.

Available in 9" and 12" Coping and a 2 1/4" and 1/2" Paver

8" Coping available only in Florida

Mutual Materials

Available in 9" and 12" Coping, 2 1/4" Paver and 1" Paver.

1" Paver not available in Ebony

Safety Grip Coping

Shade variations are an inherent characteristic of all kiln-fired clay brick. This variation enhances its natural beauty. Please inspect actual shade of brick before installation. Use constitutes acceptance.

Plaster Finishes *Durable Beauty with a Touch of Class*

DIAMOND BRITE®

River Rok

See actual samples before installation

Diamond Brite® is an exposed aggregate pool finish blended from natural quartz aggregate, polymer modified cement, and nonfading colorquartz in a stunning variety of colors. This unique interior pool finish is durable, easy to maintain and comfortable to bathers' feet.

See actual samples before installation

River Rok is an advanced, revolutionary interior pool finish. This new surfacing technology is blended with premium natural stones that are smaller than traditional pebble finishes. This unique material retains its original finish for years.

South Crete Spray Deck

Add beauty to concrete decking with this slip resistant, comfortable deck surface. This is the perfect choice for pool and spa decks, walkways, entrances, and driveways. See actual sample before installation.

Xcal Deck

A 100% acrylic surface that is highly resistant to most stains and mildew, slip resistant and easily maintained, this surface will provide years of beauty and durability. See actual sample before installation.

StoneTech Sealer Products

StoneTech Heavy Duty Exterior Sealer is a solvent-based sealer specifically for exterior use on stone products such as limestone, slate and flagstone. This heavy duty sealer protects against water-based stains and leaves a natural look. Follow application instructions.

StoneTech Enhancer Pro Sealer protect against all stains while enhancing and preserving the natural color of the stone. This solvent-based sealer is acceptable for interior as well as exterior use. Follow application instructions.

6 FT IN

Polaris Power Fall

Available in 12" to 60" lengths with standard or extended lip

Depth Markers

Master Tile stocks a complete line of depth marker tiles in both a glazed finish for the water line as well as a non-skid finish for pool decks.

Our Garden Line...
Accents for your home.

artistryinmosaics inc.
integrity in product and people

Shade and size variations are inherent characteristics in all handcrafted ceramic tile products. These variations are a trademark of handcrafted quality and add to the unique beauty of your individual mosaic. Our mosaic tile has passed ASTM C1026 Standard Test Method for resistance to freeze/thaw cycling, and is impervious to normal pool chemicals. We guarantee our mosaics for life. Product combinations/packages also available. Please ask your salesperson for more information.
