FUJIWA TILE COLLECTION continues to remain the benchmark for high quality, unique and superior tiles. **The tiles are porcelain glazed, weather-resistant, frost-proof, acid-proof, and stain-resistant.** Each of the series was created to offer unlimited design possibilities, providing years of durability and enjoyment. These tiles, suitable for both indoor and outdoor applications, put customization and creativity back into the installation process.

■ TILE CHARACTERISTICS

Slight variations in shades are an inherent quality in ceramic tiles that enhance its overall character. Colors shown in this brochure may vary from the actual color of products because of the nature of printing inks. For verification of the actual colors of the products, it is suggested that the product be seen. Samples can be provided upon request.

■ INSPECTION

It is the buyer's responsibility to inspect all material at the time of purchase and prior to installation. **FUJIWA** will not be liable for nor recognize any claims made, post-installation with reference of size, shade, quality or colors of trims or surfaces. Use constitutes acceptance.

Please note: Our porcelain tile is of the highest quality of the ceramic tiles.
