#### ■ TILE CHARACTERISTICS

Slight variations in shades are inherent characteristic of ceramic tiles and enhance the overall character. Colors shown in this brochure may differ slightly from those of actual products because of the characteristics of printing inks. Samples can be provided for verification of the actual color of the product.

#### ■ INSPECTION

It is the buyer's responsibility to inspect all material before installation. FUJIWA will not be liable for and will not recognize any claim after installation regarding size, shade, quality, colors of trims or surfaces. Use constitutes acceptance. All ceramic tile colors are subject to shade variation.
