FUJIWA GROUP USA INC. is proud to introduce our four enjoyable and all-season varieties of new tile with the excellent quality that the FUJIWA name is known for. Each series of the Fujiwa Collection is created for superior, distinction, and appealing all-purpose styles. Included is our collection for the pool, spa, kitchen, bathroom, and patio for your custom purpose.

All FUJIWA products retain their original unique and fresh appeal season after season. FUJIWA Collection remains the benchmark for high quality, selection and superior tiles.

■ TILE CHARACTERISTICS

Slight variations in shades are inherent characteristic of ceramic tiles that enhance the overall character. Colors shown in this brochure may differ slightly from those of actual products because of the characteristics of printing inks. Samples can be provided for verification of the actual colors of the products.

■ INSPECTION

It is the buyer's responsibility to inspect all material before installation. FUJIWA will not be liable for and will not recognized any claim after installation regarding size, shade, quality or colors of trims or surfaces. Use constitutes acceptance. All ceramic tile colors are subject to shade variation.
