# Seeing is believing!

Take the guesswork out of selecting tile and see how your tile, stone, decking or BBQ will look installed!

**With our virtual pools** you can view every single tile and color we carry on interactive CD, on the web at [www.nptgonline.com](http://www.nptgonline.com), or in any of our showrooms.

**Seeing is definitely believing,** and you can now see how a pool will look in any style and color, instead of just using your imagination and a few tile samples. Just take the plunge and view as many virtual pools as you like, as often as you like – at your own pace.

**Point, click and preview.** It's a quick, easy and accurate way to select tile.
