StoneScapes™ Aggregate Interior Pool Finish

Finish shown in photo above and below is StoneScapes Tahoe Blue, at right is Sandy Beach

Regular Pebble and Mini Pebble available

Give your pool or spa the naturally beautiful look of a pebble-bottomed stream with **StoneScapes™**. An inviting selection of colors and textures gives you the opportunity to express your unique style. StoneScapes™ combines artistry with durability, comfort and safety to create a perfect finish for new pools and spas or refinishing existing pools, BBQ Islands or other outdoor amenities.

Note: The simulated water colors (above) are approximated. Many elements can create shifts in the final color – from sunlight and shading, to the time of day, to the mineral content in the water which changes from region to region. For more information, ask your pool contractor to help determine your final color and results.
