CEPAC's Pool/Spa Tile
are always Frost Proof, Acid Proof
and Stain Resistant Porcelain Tiles.

FAN-33
Marine

The attraction of ceramic tile lies in the rich array of colors, sizes, shapes and the multiform combination of those.

In order to create your Pool/Spa more individual and luxurious, we recommend you to take advantage of these attractive tiles.

How do you imagine it?

How do you like your Pool/Spa look, modern or traditional?

How about the color tone, warm or cool, soft or intense?

CEPAC keeps a rich assortment of tiles to satisfy these diverse demands and apply to any size and shape of your Pool/Spa.

We assure you that you can find the one which will perfectly meet your request and make your Pool/Spa just the way you want it.

You imagine, CEPAC creates.

■ TILE CHARACTERISTICS

Slight variations in shades are inherent characteristic of ceramic tiles and enhance the overall character.
Colors shown in this brochure may differ slightly from those of actual products because of the characteristics of printing inks.
Samples can be provided for verification of the actual color of the product.
