Customer acknowledges and confirms that the products, tile, stone, coping, or other similar goods that Customer purchases from Ontario Pool Tile, Inc. "OPT" (collectively, the "Products") are subject to variations in color, shade, and tint and may not be identical or similar to any samples, images, or depictions of the same Products Customer utilized in its purchase from OPT. There are no exchanges or refunds in the event the Products delivered to Customer deviate or are a different color, shade, or tint than Customer intended, desired, or expected.

Customer understands and acknowledges that the Products selected by Customer may become slippery when the Product is wet, or moisture accumulates on the surface of the Product. The Product selected by Customer naturally develops small holes or intrusions over time and that such naturally occurring aspects do not constitute and are not considered a defect or other imperfection that provide a basis for any claim or demand for refund, exchange, or other corrective action against OPT. Customer understands that the Product may crack or develop imperfections following installation due to any shifting or movement in the underlying or adjacent soil or terrain.

Customer acknowledges that it is solely responsible for the selection of its third-party installation company and that any claims or issues related to or involving the delivery and/or installation of the Products must be directed exclusively to such third-party installation company. Customer represents that it has confirmed the skill, qualification (including licensure, where applicable), experience, and ability of the installation company selected by Customer. OPT is not responsible for any damaged or altered Products that are installed by the installation company and Customer understands that the installation company is responsible for inspecting the Products prior to installation. Any damaged or altered Products installed are not eligible for any replacement or refund by OPT. Following installation of the Products, OPT shall have no liability or obligation of any kind related to or involving any aspect, features, or condition of the Products.

Product dimensions are nominal sizes (also known as common descriptions), for actual dimensions please refer to OPT's website. Following installation of the products, OPT shall have no liability or obligation of any kind related to or involving any aspects, features, or conditions of the products. Product installation or alteration constitutes acceptance of the product.
